Emergency Food Bank	Alan Gass has asked for more of the following: Tinned fruit, evaporated milk, bottles of squash, jam, tinned vegetables, coffee, bags of multi-pack sweets, sugar	
Bible Classes	Bible classes will run on Tuesdays starting shortly (one during the day and one in the evening) – see Sue Morgan and another will run on Thursday during the day – see Reverend Nigel	
Safeguarding	It is compulsory for everyone who is in a serving role in the church with contact with the vulnerable and young people to have short course on safeguarding, followed by an online quiz. Please speak to Jackie Wiggins, our Safeguarding Officer or one of the churchwardens for details of the online quiz. We are planning to complete these for the church by Friday 31st May	
Tokens	We have started to provide some tokens for giving at collection time. These are for those of us who make payments to the church by electronic banking (eg. Standing Orders, Direct Debits, etc). Some of us feel a bit embarrassed when it comes to collection time - tokens are designed to solve this. Please pick up a token on arrival and later put it into the collection plate as that goes round. Hopefully it will help us all to feel better about our giving and demonstrate to others that yes we do give but not via the envelopes or cash which are the other more visible alternatives.	
Homeless/Night Shelter	We are still running the Night Shelter but not overnight with dinner, games and entertainment every Thursday evening at All Saints. Speak to Nigel, Lisa or Andrea for further details of how to help.
