

Interregnum plans	The PCC met on 8th January and a group has been set up to work on the revised parish profile and job advertisement in the light of several new initiatives here in the last 18 months. We have drawn up a draft timetable to be discussed with the bishop. Mike and Jacki Thomas have kindly agreed to set up a rolling 3-month rota to organise services during the interregnum and we are speaking with external contacts as well as the existing internal team to ensure a varied and exciting programme of services but in keeping with the All Saints' Dedworth style. Another meeting is taking place on January 22nd to review progress and work through some of the other issues as we move forward. Ainsley Swift our Area Dean who will share legal responsibility with the churchwardens during the interregnum, is attending the meetings and has made a number of positive suggestions and initiatives already
