Pastoral support

If you would like prayer (or other support) for you or someone else, please get in touch. We are happy to be contacted by phone or email using the details shown here.

Let's live hopefully, love generously and pray earnestly, blessing each other by the way we behave. Stay calm and let those who are in high-risk groups or self-isolating know that you care for them. Phone calls, messages, letters, cards, food left on the doorstep are all signs of us being community together.
