

Easter EGG HUNT

CLUES

The first clue is
hidden where you
are told to count
sheep,
So go to the place
where you try to
sleep!

A delicious boiled
egg is served in a
cup, but when
you're finished
eating where do you
wash it up?

Next, look near your
favourite place to
be,
To find clue number
three, go and look
beside the TV!

Is that the time
already?
Oh what a shock!
The next clue is
hidden behind the
clock!

Well done you're half
way there!
The next clue is
hidden, under a
chair!

It's smelly in here
with all your shoes,
Rescue me and I'll
give you good news!

The next place is
cold and full of good
eats- maybe this is
where you'll find
your Easter
treats?

In this drawer is
where I sit.
I'm where your
socks and
underwear fit!

One last clue, then
your treat shall be
seen,
Go to the place
where you go to get
clean!
