A LETTER FROM SUE MORGAN (CHURCH WARDEN)  
ALL SAINTS CHURCH DEDWORTH.

Dear Parishoners,

I am writing to let you know that the current Covid regulations mean that we are NOT allowed to hold any worship services in church or out in the garden until further notice. However, the church WILL be open for private prayer between 10-11am on Monday through to Friday, and I WILL be there during that hour if you need anything.

The Hub will continue to operate as normal and Sunday services will be delivered by technology as we did before. For those who do not have technology I suggest picking up your Bibles and reading the book of Psalms. There is much of value contained in that great book.

If you need me and want to speak, you can ring me on 07752 479624 or email me at [sue@fountainschoolofmusic.co.uk](mailto:sue@fountainschoolofmusic.co.uk)

Don't be afraid – God is still in control. He will give us his blessing.  
Stay safe.

Love from Sue.

As the present lockdown is likely to last until early December, we are not expecting to write another newsletter for about 3 weeks.
