ALL SAINTS CHURCH DEDWORTH  
T: 01753 841710 W: [allsaintschurchedworth.co.uk](http://allsaintschurchedworth.co.uk)

**Psalm 33: 6-20** *No king is saved by the size of his army; no warrior escapes by his great strength. A horse is a vain hope for deliverance; despite all its great strength it cannot save. But the eyes of the Lord are on those who fear him, on those whose hope is in his unfailing love, to deliver them from death, and keep them alive in famine. We wait in hope for the Lord; he is our help and our shield.*

We all look for security don't we? Some of us rely exclusively on our families and close friends, or our financial assets. Others have confidence that their own abilities will see them through any difficulty. Such human securities that we find so impressive when others talk about them, always let us down at some point and are temporary at best. Relationships, finances and our own abilities can disappear in almost an instant and death still intimidates many of us. God invites us to entrust our lives to him and we know he will keep his word whatever the costs and sometimes in impossible situations. We can be confident of his faithfulness and his unfailing love for us, damaged and unworthy though we are, and must take encouragement from his promises.

## Gardening Day

**Saturday, 5th June 9:30am – 1:00pm.**

**Refreshments will be provided and the café will be open!**

We are looking forward to seeing as many of you as possible on **SATURDAY JUNE 5<sup>th</sup>** starting at 9:30am. Many hands make light work! Come, even if it just for half an hour. Be sociable. it will be fun! This is our first 'gathering' since lockdown eased and a chance to catch up with your friends in the congregation, in person.

We have prepared a long list of jobs so there will be something for everyone to do and will have some nice refreshments to spur you on!

Bring the family and make a morning of it!

Please bring your own tools (*and take them home with you when you go!!!*)!!

We are looking for volunteers to join those who currently 'own' the flower beds and other areas round the church, plant, weed, water and look after them on a regular basis - all through the year. There is a list of the areas needing attention and we would very much like you to sign up to take responsibility for one of these. Please speak to Peter Norris, Ken Kilner or Sue Morgan.

If there are any gardeners amongst you with a great passion to fight Climate Change, we would welcome advice on how to 'go green' in the garden and to how best to manage the church grounds from now on.

## GENEROUS JUNE

**This June we are launching an appeal for generous giving.**

We are entering a period of joyous thanksgiving as we emerge from lockdown to enjoy an English summer.

In her Church Warden's report at our AGM Sue Morgan said:

*"During this Covid period we have suffered a catastrophic drop in income, and this is something we really do have to address urgently. This is partly due to the fact that, unsurprisingly, we have received very little income from hiring out our rooms to community groups during the pandemic. We have received very little money in the collection plate, even at the times when the church has been open. This is a serious matter and has to be addressed urgently. So, we have decided to raise awareness of this now, so that everyone knows. The amount needed to finance the things we have to pay for is £70,000, which sounds a formidable sum. But we have a generous heavenly Father, who blesses more abundantly than we dare to imagine, and Paul (our treasurer) and I are confident that this money will come in."*

*We have dubbed the next month on the calendar 'Generous June'. I will be in church on weekday mornings to receive your offerings and pledges. It would be brilliant to get this money before Rev. Paul arrives with his family in the middle of July.*

An extract from Paul Watkins, our Treasurer's report at the AGM

*"We need to be generous with our time, attention to people, reputation and wealth. We live in a world which tries to tell us we are what we earn and what we own. There are many, many enticing ways to spend our money. There are huge social pressures and expectations over what we should buy and how we should live. It is really tough to forego things. And we live in a time where many of us struggle with debt, and where tiny houses come with huge mortgages, particularly in Windsor. So, we should be patient and kind to ourselves as we try to live more generously with wealth."*

*For those church members not tithing, I would ask you to consider trying the 1% challenge. Every year, aim to give 1% more of your net income away. This gives you time to adjust and to plan ahead, to think carefully about how you will live with less. Generosity then becomes purposeful and ingrained, and it becomes ever more who we are, and we become ever more like the generous God who created us."*

**Bible Study – now every week on Tuesdays 7:30pm – 8:30pm by Zoom.**

Having finished the gospel of Luke, we have moved onto Luke 2 i.e. Acts and its great message for us. As we enter the final stages of the interregnum and (we hope) some relief from the lockdowns/pandemic, we look forward to a new period of activity and will draw inspiration from the disciples and how the Holy Spirit inspired them for their next stage of witness and adventure. ## New Daylight

We are now well into May but if anyone wants a copy of these bible study notes please let Ruth Norris know on [ruth\\_norris@yahoo.com](mailto:ruth_norris@yahoo.com)

She has 1 small and 2 large print copies left. We cannot recommend these daily study guides too highly. Concise, full of insight and varied, they are written by experienced and spiritual leaders in their field and are a source of inspiration to many in our congregation.

## The Salt Cellar Blog

[The Salt Cellar Blog](#) | [Jacki Thomas](#) | [Salt in A Secular Society \(saltinsecular.com\)](#)

You may have read Jacki Thomas' book *Salt in a Secular Society* which is available to purchase. She has gone on to write '**The Salt Cellar Blog**'. **She writes,** "My hope for The Salt Cellar Blog is that readers will find comfort, sustenance, or at least suggestions to help them to be salt – not merely coping but living and not merely living but living life to the full!" The latest entry is for Pentecost. (Acts 2: 1-13)

## Looking Back

## Colin Carter our Beloved Brother

For those of you who missed Colin's funeral here is the link <https://youtu.be/yqDhCgcTOqs> to watch the service, led by Rev. Louise Brown, on YouTube. It has already been watched by a huge number of people. It is inspiring. The order of service is downloadable by clicking on the link below. [Colin Carter – Thanksgiving Order of Service](#). We keep Barbara, Carolyn, Simon and Anthony and the rest of Colin's family in our prayers.

## Sunday, 23<sup>rd</sup> May: Pentecost Sunday and our Parochial Church Annual General Meeting

Many thanks to all who worked so hard to make this event such a success – particularly Jacki and Mike Thomas and Paul Watson. We were delighted to welcome Rev. Roy Burgess who led us so well at our Pentecost service. We had a lively sermon with talking greeting cards, candles, bubbles, balloons and even party poppers to celebrate the birth of the church and the coming of the Holy Spirit!

### Annual Parochial Church Meeting (APCM) (Widely known as the Church AGM)

We had a lively celebration of the blessings that we have received from God during this interregnum and lockdown. Given that the last APCM was only 7 months ago, this year's meeting was considerably shorter, than the previous one. We listened to 17 reports detailing all the hard work and joys that are the lifeblood of this church! Sue Morgan and Ken Kilner were re-elected as churchwardens and the PCC were all re-elected, with Liza MacRobert elected as an additional member.

The Pentecost service and the APCM are available to view on

<https://allsaintschurchededworth.com/about-all-saints/all-saints-church-2021-acpm/> along with copies of all the reports. So far, we have had 135 viewers/attendees and still counting. This is three times the number of attendees at APCMs in pre-pandemic days!

### Messy Church Family Service

Also on Sunday 23<sup>rd</sup> May, there was a joint “messy church” family service with Rev. Rosie Webb of St Andrews celebrating Pentecost (see flame!) with art and crafts activities and games. This was held at Clewer Green School. Families and children from both congregations attended and had great fun! Thanks go to Michelle, Ruth and Kerry as well as Rosie!

\*

### Christian Aid Week 10<sup>th</sup> -16<sup>th</sup> May

There is still time to donate to Christian Aid. Ruth, Peter and Mike Brooks carried heavy loads of water on their backs. Ruth and Peter **walked a long way** around Virginia Walker with large quantities of water which got slightly lighter over time as one of them started leaking all over their rucksacks and clothes! And Mike Brooks did a **run** with a similar amount of water in a backpack. **They deserve our money!! Please give generously.**

### Hope Springs Eternal

Our intrepid golfers braved the pouring rain at Birds Hill Golf Course on 21<sup>st</sup> May. It stopped just before we started and we were all optimistic! We began eagerly, but soon got bogged down. The holes are a huge distance away from the tee! The golf deteriorated and we couldn't find our balls in the rough in the fading light. It started to rain around Hole 7 and we scuttled off, only to find the bar (our main reason for coming) had shut 5 minutes early....

## What is Happening Soon?

### A Service of Collation and Installation of Rev. Paul Walker Thursday July 15<sup>th</sup> at 7:00pm

Bishop Olivia will formally license (collate), and Archdeacon Stephen will induct (install) Rev. Paul Walker as Vicar of Dedworth at this special service. We are delighted to be welcoming Rev. Paul and his family and are very much hoping that this service will be a live, in-person service at All Saints. It will be at 7.00pm on the 15<sup>th</sup> July. The service is being organised by Sue Morgan, Ken Kilner, Ainsley Swift and Rev. Paul Walker. It will be very different to the one held for Rev. Nigel. The congregation may well need to be much smaller due Covid restrictions and we are very much hoping the service can be recorded or livestreamed.

A big, more informal 'welcome' to Rev. Paul and his family is planned for Sunday, 18<sup>th</sup> July.

## Initiatives for Youth and Children

### Reminder: Fire Pit for 13 -17 year-olds

This is a brand-new group for the older youth on Sunday nights, based outside around a fire pit in the car park. There will be games, chats, marshmallow roastings, getting to know each other sessions, discussion, testimonies, prayer. There is something special about a fire pit that is cosy and encourages openness and discussion. It also provides warmth, helping us to want to stay outside. A great initiative!

The intention is to rotate activities among the different youth groups on Sunday nights.

When?	What's Happening?
1 <sup>st</sup> Sunday of the month	Youth group at church 10+
2 <sup>nd</sup> Sunday of the month	Zoom 10+
3 <sup>rd</sup> Sunday of the month	The Fire Pit 13+
4 <sup>th</sup> Sunday of the month	Zoom 13+

### Future Dates for your diary

**4<sup>th</sup> and 5<sup>th</sup> June: Festival style evenings 5-00pm – 9-00pm** There will be a takeaway/BBQ, a murder mystery evening and a Gladiator Duel evening (See photo). Each evening we will listen to a talk from Spring Harvest and have small group time. This is to help build relationships, as this is much easier with a longer time together.

**2<sup>nd</sup>- 5<sup>th</sup> August: Dreaming the impossible Festival.** This will take place at Trent Vineyard Church with accommodation at Nottingham University. We currently have 7 young people booked on to this.

**Sunday 29<sup>th</sup> August: Church Fest in the Pirate Park** This is a free community outreach event in the Pirate Park.

Michelle has been discussing this with Rev. Rosie Webb. It is supported by Churches Together in Windsor. The idea is that there will be a central stage with different things every hour...worship, aerobics, toddler sessions, Pym's and Hymns etc. All around the park will be tents hosted by different churches with crafts, creative prayer, games, BBQ, Coffee. Hopefully, there will be some inflatables and possibly a climbing wall (funding dependent). Please save the date and pray about this exciting mission.

## Becoming an Eco-Church: A Green Initiative

One of our main priorities as part of our Christian calling to care for God's world is responding to the climate crisis and the broader environmental crises facing our planet. It's a priority for us all, individually and corporately – and we as a church at All Saints' Dedworth want to rise to this challenge. We acknowledge the need to do much work to make greener our building, our grounds, our congregation and our surrounding environment. Our initial focus will be determined by an ECO team of Peter Norris, Mike Brooks, Ruth Norris, Ken Kilner, Malcolm Lock, Angela West, Jackie Sadler, Jackie Wiggins and Penny Roche. We invite other ECO warriors from the congregation to join us on this journey, as we work towards becoming an ECO Church. To focus our minds, we are going for

ARocha Certification.

***People of great passion for a greener world can influence all those around them.***

The ECO Church Bronze, Silver and Gold awards enable a step-by-step process towards an end goal of combating Climate Change. The certification process requires evidence across six main areas. Several of those above have already agreed to act as a focal point of change in some of these areas, names are shown below.

1. **Worship and Teaching** – what we do in church and say to our congregation, having Climate Sundays, supported by Sermons, Hymns, visiting speakers, study groups, etc.
2. **Buildings** – our energy use (electricity, gas, water), building insulation, waste disposal/recycling, use of new technology (e.g., Solar, heat pumps), collecting rainwater, etc - **Ken Kilner**.
3. **Land around the building** – how we manage the grounds and trees, attract wildlife, the plants we have, reducing pesticides, composting, etc – **Peter Norris**.
4. **Adoption of ECO materials within the church and cafe** – our use of disposable cups, plastic wrapping, toilet paper, cleaning materials, local sourced food, food waste disposal, Fairtrade products, etc - **Ruth Norris**
5. **Community Engagement** – what we say and do with the local community, events we run, ECO things we put in our Newsletters, on our website, WhatsApp and Facebook pages, the charities we support, organising litter picks, etc - **Mike Brooks**.
6. **Personal Lifestyle** – what individuals are encouraged to do, what they eat, how they reuse/recycle, walk/cycle more - use car less, reduce carbon footprint at home, fly less, etc.

**Please approach one of the Eco warriors to learn more!**

## West Windsor Hub (WWH)

WWH is still active but moving into a quieter period as Covid restrictions are eased. Many people are now enjoying doing their own shopping, but there is still a need for phone support and one client has even been taken out to coffee by her phone buddy! Tesco does not run a prescription delivery service, so we continue to fill this need for a few people. The demand for food parcels and Foodshare vouchers remains from people facing hardship remains constant Their appreciation is expressed frequently. We have also been able to guide people in need towards support that they are entitled to.

Myrsini Gavaneli  
Thank you so much for all the wonderful food today and the extra help with kids uniforms. May God bless you all

At some point in June, we will be moving to the Porch at All Saints'. We plan to fund and erect at least 10 shelves in the Computer Room leading off the café, to house trays of food. Only 2 computers will remain in place.

In view of the anticipated decrease in demand for our services over the next few months, WWH will now open every Tuesday and Friday from 10:0am – 2:00pm. WWH and ASD stand together, ready to ramp up operations at the first signs of change and will do their best to respond to the needs of the community, whether this be caused by the pandemic and ensuing lockdowns or economic reasons!
