

Dear Friends,

**Visit the All Saints' site this Saturday 26th March, between 9am and 1pm to see the Easter Art Expo.** Refreshments are available and entry is free! All artworks have been created by the children of the Dedworth schools. Please pray they'd enjoy their visits.

It's been fantastic welcoming the children from Dedworth Green First school today to All Saints'. **Thanks so much to all who have helped prepare the Easter Art Expo and for those who are helping out with a warm welcome. If you can support the event, please do let Sue or me know. We could do with more welcomers between Monday and Thursday** at certain times.

**Come along for our All Age Mothering Sunday gathering at 11am and/or Holy Communion at 9:15!** Coffee, tea, cake and biscuits will be served between and after the gatherings.

Ruth Norris has kindly set up a **Christian Aid Week e-envelope for monetary donations. Follow the link for more information or to give:** <https://envelope.christianaid.org.uk/envelope/all-saints-dedworth>

**Thank you to those who have been supporting the needs of the Ukrainian people** in so many different ways. We'll continue to pray (including daily at 12 noon in the café), but please **also see other ways you can give below:**

**Can you help resettle an individual or family?** Check out: <https://www.oxford.anglican.org/make-a-difference-in-ukraine.php> or let me know, as there is a possibility of there being a RBWM response to this need too.

**If you can offer help in any other way, please register your interest by going to:** <https://mailchi.mp/oxford.anglican.org/ukraine>

**It's great to hear so many positive comments about the new Life Groups and it's never too late to join in!** These welcoming groups are becoming the place where we grow in faith and do life together. We're currently praying about the material we can look at next together and hope to confirm that very soon!

During this week's Bible Course session the speaker mentioned the **benefits of reading through books of the Bible in one sitting.** To make things easier, you might like to **take a look at the, 'You've Got Time' series.**

The Bible Society says it's: **'The New Testament – the greatest story ever told, as you've never heard it before! Brought to you by Bible Society and dramatised by Riding Lights Theatre Company, this audio recording brings the whole New Testament to life in a dynamic and vibrant way.'**

Have **free access to all the recordings** on this link: <https://soundcloud.com/biblesociety/sets/youve-got-the-time> While beneficial, there's no need to listen to the whole of a 25 minute recording in a single sitting. This morning Charlotte and I just listened to the first 2 chapters of Matthew!

With love and every blessing,

Paul
