If you haven't put the **21st May from 9am** onwards in your diary please do. There are **various social and 'helpful'** (gardening and fixing) **activities happening that day, including an early afternoon BBQ. Do join for as long as you are able!**

I've been reliably informed that people from Ukraine have been arriving in the the Borough and are starting to settle in the community. Please pray for those who are currently trying to set up a charity to support their connections with each other and people in the area. I've mentioned that we'd love to facilitate in that, so please let me know if you're willing and able to help out in any way. Do check out <https://www.oxford.anglican.org/make-a-difference-in-ukraine.php> to either offer accommodation or find out other ways you can support those from Ukraine and keep praying for all those affected and helping.

Please note that **the Church Electoral Roll** is being revised and the **revision will close on Friday 29th April! To vote in the APCM gathering you'll need to be on the roll by then!** The names of those on the Electoral Roll have been displayed in the entrance hall of the church building. Forms are available there, or please or go

Don't forget come and **celebrate all the Lord has been doing in the life of the Church: Sunday 15th May from 9:15am. We'll be gathering to worship, give thanks and** celebrate God's provision and vision (through the Annual Parochial Church Gathering) as we make Jesus known in Dedworth. Please pray for those involved in the preparations and for all standing for (re)election.

With love and every blessing,

Paul
