Dear Friends,

**On Sunday we'll be gathering to worship Jesus at 9:15 for Holy Communion and I am where our kids Life Groups will be running. Do come along and bring a friend!**

Following advice from the central Church COVID Recovery Group, **from this week when we receive communion there will be an option to also have the wine as well.** If you're feeling at peace about taking the wine from a common cup, please stay in place once you've been given the bread. **Please don't feel compelled to take the wine, as to receive in one kind is to receive communion in full.**

**Youth: Fire Pit meets this Sunday between 6:30 and 8pm and Flames will be meeting again on the 26th.** Please keep the young people and their leaders in your prayers.

**It's great to pray!** If you can, please visit the **chapel room at All Saints'** at some point this week and spend **some time in reflection listening and speaking to God using the three prayer activities that you'll find there.**

**Life group times this week:**

19:30: Onsite **Life Group** at All Saints' **Prayer Course**
