**Let's make a difference as we grow together in faith!**

In addition to the communities we serve each week, you'll find more ways you can help make Jesus known below!

We're exploring opportunities to worship together in song and develop sung worship further on Sundays. **Do you play an instrument or sing and have a heart for worship? If so, have a chat with John, Sue or Paul Walker.** Lapsed school band members encouraged too!

We're seeking to appoint an **Electoral Roll Officer**, who can help make sure the Church is ready to vote at next year's APCM. **The role is undemanding of time and would suit someone who is welcoming and approachable.** Basic computer skills helpful and training given! For more information please chat with Paul or one of the Churchwardens.

**We can still make a difference to the situation in Ukraine.** To register to help in some way click [HERE](#) and of course, please keep praying into the situation.
