Our Christian Charity spotlight this week is **Compassion International**: Compassion is a non-profit organisation that works to support the world's poorest children. They offer the most vulnerable communities around the world hope for their future. Their mission is to show God's love by meeting physical needs, sharing the message of Jesus, and helping communities develop sustainable solutions to poverty. Please take a look and pray for those involved by going to <https://www.compassion.com/prayer.htm>.

Christian Social Action: During 2023 and 2024, nearly 200 governments are meeting to develop the first-ever global treaty on plastic pollution. But it's not a done deal. That's why we need as many people as possible to stand up for our brothers and sisters living in poverty and demand change. You can sign the Tearfund petition by clicking [HERE](#).
